

Awaken Wyse Woman: It's Time To Stand In Your Conviction

BY DONNA MORGAN

Awaken Wyse Woman

When you embrace who you are and you open to the you within
When your shining fire begins as an ember and then grows to
steady flame

That's the beginning of your journey to you.

The facades drop and the masks removed, the eyes you see in
the reflection are you, the true you.

The inner wisdom begins to rise
at first a bubble then a few more
then a trickle
soon a fountain of wisdom.

The wyse woman rises to be born again
Her wisdom great.

Her knowing strong.

The courage of her conviction never wavering.

She stands tall in her light and power
She is you.
She is me.

The wyse woman is all of us with our own unique wisdom and
it's time to stand in our conviction to share, teach, and
shine.

Awaken Wyse Woman
Wise and Shine.
