

What Is Meant For Me Will Not Make Me Feel Like A Maybe

[BY KRISSY VANALSTYNE](#)

No more chasing.
As it runs away.

No more fixing.
When it becomes broken.

No more wondering.
When we are left in silence.

No more; of what's not meant for me.

What is meant for me
will
show up beside and for me.

What is meant for me
will not
feel broken, instead, break me more open.

What is meant for me
certainly will not
take my love for granted or make me feel like a maybe.

There's no chasing, no fixing and certainly, no wondering.

It's all in.
It's secure.
And it's certain.

May these words make you question;
Is it meant for me?
