

Moonlit Blessings: May Its Glow Light The Way

[BY AVANYA MANICKUM](#)

May the moon watch over you,
Through your triumphs and your troughs.
May it ignite hope on an arduous journey,
Just so that you know to never give up.
May its glow light the way,
Extinguishing the shadows of self-doubt.
May it teach you transformation,
Through courage and patience.
May you be filled with its affirmation
and know that you are always loved.
May this silent guardian
Shepherd your bright soul's growth.
