

# Linger, My Love, In The Cracks Where Light Gets In

*[By Dylan Barmmer](#)*

*Explore*

Oh, the corners  
the soft supple  
crevices, cracks  
where light  
gets in  
gets lost  
come find  
all the space  
in half the time  
or maybe a little  
longer, linger  
my love  
we have  
only eternity  
to explore
