

# ALL I KNEW IS THAT I KNEW YOU

BY CASSANDRA BELLAREI

*I Remember*

I don't remember the exact day and time  
All I knew is that I knew you.

I saw it in your eyes  
I saw it in your smile

But most importantly I felt it in my heart.  
We were separated but never apart.

Seeing you again  
I remember...

I remember those eyes  
who see me with love.

I remember that smile  
that can light up a room from 10,000 miles.

I remember your arms  
That would hold me with care.

I've felt them around me  
Even when you weren't there.

I remember your heart  
as it speaks to mine

And has found me again  
In this space and time.

An Eternal Love  
So deep and true.

I remember this love

That I found

With

You.

I wanted movement and not  
a calm course of existence.  
I wanted excitement and  
danger and the chance to  
sacrifice myself for my love.
