

# Your Inner Amazon Will Light The Way & She's Ready When You Are

*BY AVANYA MANICKUM*

You're wild in spirit  
You're soft at heart  
But when night lasts too long  
You often get lost in the dark

You stumble and fall  
In the jungle of your mind  
While vicious self-doubt  
Lurks just behind

You're questioning your worth  
You're hiding in the fog  
Afraid to face the beasts  
Feasting off your internal monologue

I think it's time I remind you  
Of the amazon inside  
Courageous and rebellious  
She will not conform nor abide

She's mastered her power  
She'll guide with kind eyes  
The beasts won't come near her  
They bow and recognise

She'll draw out your strength  
From a forgotten reservoir  
Inner flame ablaze  
Shedding old fears as you soar

She radiates love

And always stands tall  
She's ready when you are  
Have faith and listen for the call
