

Home Is Knowing You Are Exactly Where You Are Supposed To Be

[BY REBECCA ESCHENROEDER](#)

Home.

Is it a place? A location?

Is it a feeling? A sensation?

Is it the exhale that automatically rises from the depth of
your soul, the moment you arrive. . .wherever that is?

Is it the timeless and limitless knowing that you are *exactly*
where you are supposed to be. . .now. . .and now. . .and now.

Now.

It is where we are. . .always.

It is what we are experiencing. . .constantly.

It is the relief; the comfort when we come back to the breath.

It is timeless; it is limitless; because it is *all* there is. .

.

Now is Home. Home is Now.
